

**MSME TOOL ROOM, AHMEDABAD**  
**INDO GERMAN TOOL ROOM,**

**NOTICE INVITING EXPRESSION OF INTEREST**

INDO GERMAN TOOL ROOM (IGTR), Ahmedabad is a Government of India Institute under Ministry of MSME (Micro, Small and Medium Enterprises) located at Vatva GIDC, Ahmedabad. The main activity of the Tool Room is upgradation of skill in Tool and Die Technology and machine tool operation apart from the manufacturing of quality toolings like Plastic Injection Moulds, Press Tools, Die Casting Dies etc. The Institute conducts various Long term, Medium term and need based Short term courses in the area of Tool & Die Making, CNC technology, CAD/CAM and CAE.

We would like to expand our activities into the southern Gujarat. Hence we invite interested parties who have the back ground similar to us (refer our website) in expanding our business in Vadodara and Surat Centers. The interested parties shall have the capacity to handle the infrastructure we provide along with the required skills and manage the Centres as per the guidelines as laid down from time to time.

Please download the format given in our website '[www.igtrahd.com](http://www.igtrahd.com)' and fill & forward to [training@igtrahd.com](mailto:training@igtrahd.com).
