Subject : Promotional Discount

1. Bring one more and you get 10%

A trainee who has registered as a trainee, for any course and on his recommendation if another trainee also joins the same batch, the recommending trainee will get 10% discount in his tuition fees. This discount will be on first installment of fees only which is paid at the time of start of the course. Further the discount will be given only if the second trainee has paid his fees. The second trainee can also avail benefit of this discount if he brings another trainee and so on.

The essence of the discount is that it is given only if second trainee has confirmed admission by paying course start fees and the discount is limited to 10% of tuition fees paid as first installment.

2. Pay yearly fees together and avail 7.5% discount on paid fees

Any trainee pays up his total fees for the year on start of the course, he will be given further 7.5% discount on amount of advance fees paid.

3. Applicability of Scheme

This discount scheme is applicable only to those trainees who pay their own fees and for the following courses.

- All PG / PD courses
- CCM, MCCT & CCTT
- All STC of duration less than 3 months

4. The name of recommending trainee should be clearly stated and signed on the Admission Form by the concerned Admission authority. The discount shall also be clearly stated on the fees receipt of such trainee clearly giving the name of a person who was recommended by him.
